INTEGRA SUPPLY CHAIN SUITE

AI-Powered

Complete Features

Every benefit and every feature of Integra Supply Chain Suite, area by area.

BENEFITS

What your supply chain gains

One connected platform for buying, storing and moving goods. Here is what changes for buyers, store keepers, warehouse teams, finance and your suppliers.

Requests under control

Requisitions approved by rule and checked against budget.

Better prices

RFQs, comparison sheets and rate contracts cut spend.

Suppliers self-serve

Suppliers confirm, ship and track payments on their portal.

Pay only for what arrived

Three-way matching stops paying for short or wrong deliveries.

Stock you can trust

Live stock by site, bin, batch and serial.

Fewer shortages

Replenishment suggested before stock runs out.

Faster warehouses

Directed putaway, picking and mobile counts.

Stock value that agrees

Receipts, issues and valuation post straight to finance.

AI that saves time

Forecasts, reorder suggestions and supplier alerts. People decide.

Grows with you

Add sites, warehouses and companies on the same platform.
