BENEFITS

What your fleet gains with Integra

One connected platform for fleet, bus and logistics operators. Here is what changes for owners, depot managers, drivers, workshop teams and passengers.

No lapsed documents

Permits, insurance, fitness and licences tracked with expiry alerts.

Fuel under control

Every litre recorded and unusual fuel use flagged.

Fewer breakdowns

Servicing planned by kilometres and dates, with full repair history.

Faster dispatch

Trips, vehicles and crew assigned in minutes, with live status.

Every seat sold once

Counters, agents and online sell from one live seat chart.

Freight billed on time

Consignments, proof of delivery and invoices from the same trip.

Fair crew settlements

Advances, expenses and allowances settled trip by trip.

Profit per vehicle

Cost and revenue per vehicle, route and kilometre.

AI that saves time

Maintenance and fuel alerts and route demand forecasts. People decide.

Grows with you

Start with a few vehicles and add depots, routes and services on one platform.
